Include your IPO Chart with your code in Eclipse IDE: We will discuss and demonstrate this in the computer lab.

IPO CHART

| Program name: | Election - Mastery Project | |
|--|---|--|
| INPUT | PROCESS | OUTPUT |
| Hint: What will the user input? | Hint: What is the program going to do with the input information? | Hint: What will the screen display after user input? |
| [User will input the election results from each city for each candidate.] | [Computer will store inputted election results until they need to be printed. Computer will add each candidates results to create a percentage then will output the percentage to show who got the majority of the votes. Computer will add all votes to calculate total votes] | [Will output how many votes each candidate got from each city, and the percentage of total votes for each candidate and total votes.] |
